Some one say Res. Your car have been hit. I went to the side walk. I told the man, its my car. I went back inside called the police. When I went back outside, I was told that their supervisor was on his way. I told them I called the police about that time. The supervisor drove up. The policeman came later. The driver said he threw a mail box stick in the truck it was sticking out, thats what hit my Van when he passed by.
